It is again time to put Annual Fund giving on the forefront. Annual giving is important for our school to be able to do things above and beyond what is available through tuition dollars.

Starkville Academy relies on a tuition-driven budget. While tuition covers the primary portion of the cost of educating your child, there are additional needs at Starkville Academy that our tax-deductible Annual Fund can provide. The Annual Fund is crucial to achieving our goals and maintaining superior educational programs and facilities. These are monies that are immediately put to use to enhance programs at Starkville Academy. These gifts make Starkville Academy a better school.

In order to maintain the relevance of a reasonable tuition rate, Starkville Academy needs every stakeholder to participate in Annual Fund giving. Every gift is important.

Annual giving funds have been used in the past to renovate the elementary science lab, put ceiling-mounted projectors in each classroom, add smart boards to classrooms, and enhance technology overall. **For the upcoming year, Annual Fund dollars will go towards enhancing safety features at our school and upgrading equipment in the science labs.**

Our last capital campaign, *Building Momentum*, has been successful due to your continued generosity and support of Starkville Academy. Those monies are providing growth to Starkville Academy by establishing an endowment fund, implementing new technology, enhancing academics, and improving aesthetics. This could not have been accomplished without your continued support and generosity.
