

After School Care Program (ASC)

Starkville Academy offers an After School Care program for Prek-6th grade. This program offers a safe, structured environment for students. Students will be grouped by grades and assigned to designated areas for study and snack time. Free time and play will be on the playground (weather permitting.)

The After School Care program is available each full day of school. On early dismissal days, the program is available at an additional fee for individuals on the daily/drop in mode. However, for individuals on the draft/monthly payment mode, the early dismissal days are included.

The After School Care program starts the first full day of school and is not open on school holidays.
