1. GENERAL INFORMATION

1.1 DISCLAIMER

This handbook does not and cannot address every situation, question, or problem that may arise. Any unaddressed situation, question, or problem that arises will be left to the discretion of Starkville Academy's Administration and Board of Directors.

1.2 MISSION STATEMENT

The mission of Starkville Academy is to provide quality educational programs in a safe, Christian environment that will challenge students to excel academically, physically, socially, spiritually, and culturally.

1.3 PHILOSOPHY

The purpose of Starkville Academy is to provide an excellent educational foundation for the students it serves. To this end, Starkville Academy is dedicated to finding and employing the best faculty and staff available and to providing a curriculum that will both stimulate and challenge Starkville Academy's students. Starkville Academy seeks to provide and encourage a positive learning environment so that each student can strive to realize his/her full potential academically.

Because education involves the whole person, Starkville Academy is also dedicated to the development of each student spiritually, physically, emotionally, socially, and culturally. Appropriate programs are offered to achieve this purpose.

1.4 Beliefs

Starkville Academy will strive to:

- 1. Establish a curriculum that is aligned to national standards with an emphasis on college preparation.
- 2. Provide a safe, active, and encouraging environment where learning excels.
- 3. Foster experiences that cultivate qualities that will result in moral integrity, intellectual capacity, and social conscience.
- 4. Instill in each student an appreciation for Christian values.
- 5. Enhance and encourage students as they are actively involved in positive relationships with student and staff.
- 6. Engage students in extracurricular activities that aid in developing a sense of self and purpose.

1.5 GOVERNANCE

A Board of Directors governs Starkville Academy. Board of Directors is composed of eight members, who are elected by the patrons to serve staggered four-year terms, the past and immediate past presidents, and up to three Board-appointed members, who are appointed to serve renewable, one-year terms. The purpose of Board of Directors is to set and enforce the governing policies of Starkville Academy.

1.6 ACCREDITATION

Starkville Academy is fully accredited by the Midsouth Association of Independent Schools (MAIS), the Southern Association of Independent Schools (SAIS), and Cognia.

1.7 NOTICE OF NON-DISCRIMINATION

Starkville Academy does not discriminate on the basis of race, color, religion, national origin, sex, or disability in administration of its educational policies, admissions policies, athletics, and other school administered programs. Starkville Academy adheres to the requirements of the Mississippi Fairness Act with respect to both the designation of athletics teams as Boys, Girls, or Coed and the eligibility of students for participation on such teams.

1.8 COMMUNICATION/PARENT CONFERENCE

1.8.1 WEB PAGE

Information about Starkville Academy is listed and updated on SA's website: www.starkvilleacademy.org.

1.8.2 Parent/Guardian and Teacher/Administration Communications

An email to the teacher/coach/director/sponsor ("teacher") is the preferred first method of communication for addressing concerns. Email addresses may be obtained from Starkville Academy's website. When a concern cannot be addressed adequately by a teacher's brief reply to email, a parent/teacher conference should be scheduled. Parents/guardians should also keep in mind that teachers have only limited time during the school day to check and respond to emails.

Any questions concerning classroom work, conduct, any extracurricular activity (i.e., athletics, band, choir, etc.) or any other student concerns should generally be handled in the following manner:

- 1. First, through the appropriate classroom teacher, coach, director, or sponsor for an appointment.
- 2. Second, if after meeting with the classroom teacher, coach, director, or sponsor, a parent/guardian desires further communication, he/she should make an appointment to meet with the appropriate principal or athletic director.
- 3. Third, if, after the first two steps of communication have been performed and the parent/guardian is dissatisfied with the result, he/she may make an appointment with the head of school.

It is recommended that the preceding steps be taken in this order since administrators are not directly involved with each day-to-day decision in the classrooms or extra-curricular activities. It is likely the teacher will be able to provide the most detailed information and will have the greatest ability to resolve issues and concerns. If, however, unusual or sensitive situations warrant that a parent/guardian cannot or does not desire to meet with the teacher directly, an appointment with the school principal or athletic director may be scheduled through the school office.

Notes:

- Because administrators and teachers are busy throughout the day, administrators and teachers will not be available for a conference without an appointment.
- Parents/guardians are not allowed to go to the classroom to get their child or see the teacher. Instead, parents/guardians should first go to the office, and the appropriate arrangements will be made.
- Parents/guardians are to refrain from calling or texting teachers/staff on their cell phones during school hours
 unless asked to do so by a teacher/staff; otherwise all contact should be made by email to the teacher or
 through the Starkville Academy office during school hours.

1.9 ASBESTOS MANAGEMENT PLAN

A copy of Starkville Academy's asbestos management plan, including testing results and certifications, is available upon request in Starkville Academy's main office.

2. FINANCIAL POLICY AND INFORMATION

2.1 Introduction

All information and policies addressed below, unless stated specifically for tuition/fees only, are intended for all student monies owed to Starkville Academy. Monies owed include, but are not limited to, tuition/fees, co-curricular activities and field trips, and extracurricular expenses.

Starkville Academy operates on a cash flow basis. It is imperative that it collect monthly tuition/fees payments in a timely manner in order to pay its bills, including payroll, in a timely manner and to maintain its reputation of fiscal responsibility.

If payment is received for a non-tuition/fees expense for a student and the student's tuition/fees payments are past due, the funds may be applied to the delinquent tuition/fees account without prior notification to the payer, the student, or any person contractually responsible for the tuition/fees. Notification that the redirecting of funds has occurred will be mailed through physical or electronic means to the contractually responsible party.

Acceptance into the program is based on admission into Starkville Academy, a diagnosis of dyslexia from a certified third party, contact from the director, and availability in the DTP. The tuition for DTP for the school year is \$2,000 in addition to regular tuition.

2.6 CONTRACT CANCELLATION AND WITHDRAWAL

Parents/guardians of students who withdraw during the school year must request from the business office a withdrawal form to be completed for the student to be cleared for release. This form must also be signed by the parent/guardian.

Any request for cancellation of the educational contract must specifically set forth in writing the reasons for said requests and be submitted to the Board of Directors at least five (5) days prior to the next regularly scheduled meeting. school rules or standards, as may be determined by the Board of Directors in its discretion, or who, due to factors involving the student or others (including but not limited to the student's parents/guardians), is determined by the Board of Directors to distract from Starkville Academy's mission or efficient operation. The school also reserves the right to terminate the contract of a student or refuse re-enrollment to a student should the relationship between the school and the parent(s) become irreconcilable. Such an event will only transpire after good faith attempts to reconcile any differences between the parent(s), school administration, and the school board prove to be unproductive.

2.8 REFUSED PAYMENTS AND OUTSTANDING DEBTS

2.8.1 RETURNED CHECKS OR DENIED BANK DRAFTS

Any payment that is returned to the school or denied by the bank will result in a service charge of \$30 or the amount of any fees charged to the school, whichever is greater. Checks returned or bank drafts denied may be resubmitted without notifying the drawer. Should any family have two payments returned unpaid or denied by their bank, Starkville Academy may opt to no longer accept personal checks or bank drafts for any reason from that family for the remainder of the school year. Following such a determination, the affected parents/guardians must use cash, money orders, or cashier's checks to pay all accounts.

2.8.2 Student Indebtedness at the Conclusion of a School Year

The following action may be taken for any student that is indebted to Starkville Academy for any reason at the conclusion of a school year:

- Starkville Academy reserves the right to prohibit the administration of nine-week or semester exams, hold final grades, prohibit participation in field day and/or athletic practices and school-sponsored camps.
- Seniors may be prohibited from participating in graduation ceremonies.

2.8.3 Student Indebtedness at the Commencement of a School Year

A student may not be allowed to begin classes in August or to participate in any extracurricular activities related either to summer sports or practices if his/her tuition/fees account is delinquent for any month of the current school year or if any money is owed for previous school years.

3. RE-ADMISSIONS POLICIES

3.1 STUDENTS APPLYING FOR RE-ADMISSION

Unless specifically stated otherwise below, all stipulations and requirements of new student admission will apply to students requesting re-admission to Starkville Academy.

- Any student who leaves Starkville Academy in good standing (academically, financially, and behaviorally) and attends an accredited school but subsequently applies for re-admission *during the same academic school year* may be re-admitted without standardized assessment testing.
- Any student who leaves Starkville Academy in "good standing" (academically, financially, and behaviorally) to be home schooled and applies for re-admission may be re-admitted without passing a standardized assessment test if both the day of leaving and the day of return occur within the first fifteen (15) days of the academic calendar.

3.2 MISCELLANEOUS NOTES ON ADMISSIONS AND CONTINUED ENROLLMENT

- No student will be accepted who has a record of academic failure, discipline problems, or who has not met the criteria for successful completion of the standardized assessment test.
- Subject to applicable law, no student requiring separate special education classes will be accepted. If this problem
 is not known at the time of enrollment, proper action will be taken to have the child tested and evaluated for
 appropriate placement or referred to another school in the best interest of the child.
- All students are expected to adhere to Starkville Academy's standards of academic achievement and general citizenship. Failure to do so will be just cause for the student's dismissal from Starkville Academy.
- When a student reaches a point where Starkville Academy can no longer contribute to the educational advancement of the student, and/or the student fails to take full advantage of educational opportunities offered

him or her, and/or the student continuously violates school regulations, the student will be requested to withdraw from Starkville Academy during the present year and will lose his or her priority for admission to Starkville Academy the following year. The Board of Directors will evaluate the recommendations of the Administration concerning said student's present and future enrollment at Starkville Academy.

• Starkville Academy will enforce athletic eligibility requirements of the MAIS.

4. ACADEMICS

Parents/guardians are encouraged to contact the teacher or counselor if there are questions or concerns about their child's academic performance or schedule. Starkville Academy's school year consists of four nine-week grading periods. Academic grades for students in grades 1–12 may be viewed via the FACTS family portal which is accessible from the school website.

4.1 ELEMENTARY

4.1.1 ELEMENTARY GRADING SYSTEM AND NINE-WEEKEXAMS

Letter and numeric grades will be used in grades 1 - 6. Grading Scale:

A: 100 – 90 B: 89 – 80 C: 79 – 70 F: 69 or below

In an effort to strengthen academic achievement among its students, Starkville Academy administers nine-week exams to students in grade 6. The rationale for doing so is multi-faceted. Starkville Academy believes that these exams reinforce concepts and objectives learned during the nine-week period, prepare students incrementally for the practice of taking semester exams in later years, and provide students with practice for comprehensive tests that are a standard part of a student's educational career. Nine-week exams will count as 20 percent of the student's nine-week average.

No student will be allowed to take any nine-week exam early unless given permission to do so from school administration due to unusual or extreme circumstances. Family vacations and sports-related trips will not be included in these circumstances.

4.1.2 PROMOTION AND RETENTION POLICY

Starkville Academy recognizes that, in some situations, the student's best interests may require him/her to be retained in the same grade for the following academic year.

The following policies will apply for promotion and retention for students in grades 1–6:

- Each student in grades 1-6 must pass all core courses; if not, he/she will be retained. Starkville Academy recognizes English, math, reading, science, and social studies as its core courses.
- Promotion and retention will be based on yearly averages in grades 1–6.

Parents/Guardians will be notified by the end of the third nine weeks if there appears to be a possibility or likelihood that their child will not be promoted; however, the failure to provide such notice shall not prohibit the student's retention if later determined to be appropriate.

In some cases, if the student does not meet the requirements for promotion, but in the Administration's opinion the student would most likely gain mastery through summer remediation, the Administration may allow parents/guardians to secure a tutor for their child and request follow-up testing at the end of the summer to help determine appropriate grade placement.

If the Administration concludes the needs of a student are not being met by the academic program at Starkville Academy (determined after reviewing test scores, report cards and student's progress), a conference will be held with the parents/guardians, classroom teacher, and principal. At that time, Starkville Academy will determine if it is in the

best interest of the student to repeat a grade level or be dismissed from Starkville Academy.

Once a teacher and the Administration have made a final determination that a student should be retained in the present grade for the upcoming year, an educational contract will be offered to the student for the upcoming year in the retained grade only. Report cards and cumulative records will reflect the retention determination.

4.1.3 ACADEMIC RECOGNITION

Two levels of academic recognition will be used in grades 4-6 for each grading period.

End of Year Honors:

- Honor Student At least 3 As and nothing lower than 85 in all subjects for 1st-3rd 9 weeks.
- Special Honors Nothing lower than 94 in all subjects for 1st-3rd 9 weeks.

4.1.4 REPORTING OF STUDENT PROGRESS

A student's academic grade progress may be viewed online via FACTS/RenWeb. Progress reports for PreK and Kindergarten and report cards for grades 1-6 are home at the end of each nine-week grading period and are due back the next day. All progress reports and report cards are mailed at the end of the year if all financial obligations have been met.

4.1.5 HOMEWORK

Elementary students must use a planner for recording daily homework assignments. Parents/Guardians of elementary students should initial the planner or notebook nightly to indicate that assignments are complete each night.

Homework assignments also will be distributed weekly by each teacher via classroom newsletter or Canvas (1st-12th)/Seesaw (PreK-K).

Parents/guardians may help with homework by setting aside a specific time and place for homework, supplying necessary study materials, and encouraging the student in his/her studies; however, parents/guardians should not do the student's work!

4.1.6 CHEATING

Academic honesty is expected of every student at Starkville Academy. Cheating is defined as the deliberate, dishonest exchange of information on any assigned work (i.e., test, project, homework, etc.) that creates an unfair advantage for one or more students. The following disciplinary procedures will be implemented in the elementary school as deemed appropriate:

- First offense the student will call the parent to report/discuss behavior. The teacher will assign a grade of **50** to the work on which cheating occurred and send the student to the elementary principal for a detention assignment.
- Beyond first offense the teacher will call the parent to report/discuss behavior, assign a grade of **0** to work on which cheating occurred, and send the student to the elementary principal for a detention assignment.
- Recurring behavior may result in a review by the Administration, at which time additional measures to correct behavior will be assigned.

4.1.7 "SAIL" – STUDENT ASSISTANCE IN LEARNING

Students experiencing academic difficulty (meaning one or more subject averages have dropped below 75) may be referred to the resource center for assistance. A certified teacher is on staff to assist students and parents/guardians as needed.

4.1.8 "DISCOVERY" – GIFTED PROGRAM

Students in grades 3–6 who qualify through individual IQ testing for and choose to participate in the Discovery program will receive accelerated/enrichment instruction weekly in addition to regular classroom instruction. Students are responsible for all classroom assignments missed while attending Discovery.

4.2 SECONDARY

4.2.1 SECONDARY GRADING SYSTEM

Report cards are sent home with students the week following each nine-week period and mailed at the end of the year if all financial obligations have been met. The counselor will notify parents/guardians if a student fails a course for the 1st or 2nd Semester.

Letter and numeric grades are used in grades 7 - 12. Grading Scale:

A: 100 – 90 B: 89 – 80 C: 79 – 70 F: 69 or below

The lowest passing grade is 70. Numerical grades are recorded on report cards and on permanent records. Students who have incomplete work must complete the work according to school policy, or a grade of "F" will be assigned. The following grading system is used when calculating end-of-term averages:

- Nine Weeks Average: The formula for determining each nine week average is as follows:
 - O Daily grades = 35% and Tests = 65%
- Semester Average: The formula for determining the semester average is as follows:
 - o 1st nine week average = 40%, 2nd nine week average = 40%, and semester exams = 20%
- Yearly Average: The yearly average is obtained by adding the two semester grades and dividing by two.

Students transferring to Starkville Academy with letter grades only will be converted in the following manner: A + = 100, A = 95, A - = 90, B + = 89, B = 85, B - = 80, C + = 79, C = 75, C - = 70, and C = 70

4.2.2 STUDENT CLASSIFICATION (9th-12th GRADES)

Students must have the following credits in order to receive these class status classifications:

Freshman: Promoted from 8th Grade

Sophomore: 5 credits
Junior: 11 credits
Senior: 17 credits

Students who fail a class taken for graduation credit will be allowed to perform makeup work through summer school. All students are required to take at least five academic courses each semester. No student will be allowed to have two study halls unless approved by the administration.

4.2.3 Grade Point Average Calculation/Senior Class Rank

Starkville Academy will calculate grade point average by adding the two semester averages of each yearly course and the one semester average of a semester course and divide by the total number of semester courses in which a Carnegie unit has been earned.

Senior class rank will be determined based on the numerical grade point average of the eight semesters comprising grades 9-12 and for those 8th grade courses that earn Carnegie units. Starkville Academy will calculate senior class rankings after the conclusion of the final posting of all grades at the end of the school year. The senior class rank will be based on a student's GPA, which will be calculated by adding the two semester averages of each yearly course and the one semester average of a semester course and divide by the total number of semester courses in which a Carnegie unit has been earned. For purposes of GPA and class rank, beginning with the Class of 2025, students taking honors, dual credit, and advanced placement courses shall be allowed to earn grades above 100 according to the weights of those courses (2.5% and 5%, respectively).

The following courses will not be included in the calculation for senior class ranking: ACT Prep, Athletics, Driver's Education, and Publications. Beginning with the Class of 2025, students taking band for multiple years can only count

their fall semester grades starting in their second year and beyond towards GPA and class rank.

For students who are enrolled at Starkville Academy, grades for course work taken outside Starkville Academy will be used in calculating a student's graduation credits and GPA; however, these grades will not be used in the calculation for class rank.

The following courses are given weight according to level of difficulty:

Weight of 1.025: Honors Courses: 9th English, 10th English, Biology, Chemistry, Physics, Anatomy &

Physiology, Organic Chemistry, 8th Algebra I, Algebra II, Geometry

Weight of 1.050: AP 11th Grade English, AP U.S. History, AP Government, AP Studio Art, AP Biology,

AP Chemistry, AP Environmental Science, AP Spanish, and Dual Credit Courses: English Comp. I & II, College Algebra, College Trigonometry, and College Calculus

4.2.4 HONORS AND ADVANCED PLACEMENT GRADE REQUIREMENTS

In order for students to be eligible to take Honors and Advanced Placement courses for the first time, students must have maintained a minimum average of 90 for the year in the subject area course taken the prior year. Students who are already taking an AP course must maintain a minimum average of 85 to enroll in another AP course in the same subject area. All Dual Credit entrance requirements are determined by Mississippi University for Women (MUW) and the Institutions of Higher Learning (IHL). For more information about DC course requirements, please contact the 7th-12th grade counselor.

For students wanting to take two Honors level science courses as a sophomore (i.e. Honors Chemistry and Honors Anatomy & Physiology), they must have completed Honors Biology and Honors Algebra II with a minimum final average of 95 in each course. After completion of the sophomore year for students who take two sciences, a minimum grade of 85 for the year is required to take the succeeding advanced level science course the following year.

4.2.5 SCHEDULE CHANGES AND DROP/ADD

Students have 10 days at the beginning of the semester to drop or add a course after the course initially begins. For Advanced Placement courses, students are allowed 20 days at the beginning of the year to drop the course. The administration and guidance office, with consultation of teacher(s) and parents, must approve any schedule change. In extreme circumstances, the administration may grant a change in a student's schedule after the 10-day period.

4.2.6 ONLINE COURSES

Online courses for which a student desires academic credit from Starkville Academy must have prior approval from the Counselor and Principal. All course work must be completed by April 15, unless otherwise approved.

4.2.7 PATHWAYS FOR GRADUATION

Students may choose between two graduation track pathways – the College Pathway and the Honors Pathway. The College Pathway is geared towards traditional students, whereas the Honors Pathway is designed for advanced students seeking a more challenging course of study. The charts below and on the next page reflect the number of credits and course requirements for each pathway.

In grades 7 and 8, a student must pass each of the four core courses to be promoted to the next grade. If a student does not meet the promotion requirements, he/she will be required to attend or take and successfully complete summer school or an approved online course to be promoted. Starkville Academy recognizes English, math, science, and social studies as its core courses.

4.2.11 SEMESTER EXAMS – GRADES 7 –12

Semester exams in grades 7-12 will count 20% of the student's semester average. Students who maintain a 90 average or above in a subject can be exempt from the semester exam in that subject at the end of the 2nd semester. No exam exemptions are granted for any student during the 1st semester.

No student will be allowed to take any semester exam early unless given permission to do so from school administration due to unusual or extreme circumstances. Family vacations and sports-related trips will not be included in these circumstances.

42.12 SEMESTER EXAM EXEMPTIONS

Exam exemption is a privilege, not a right, afforded to students who satisfy criteria pertaining to attendance, grade average, and discipline. Eligible students may exempt end-of-year or second semester exams. There are no student exemptions for first-semester exams. An exempted student may opt to take his/her exam to improve his/her average with the assurance that the results of the exam will not lower his/her average.

- A student who has been suspended (ISS or OSS) will forfeit all of his/her exam privileges.
- Any student with an unexcused absence (i.e., skipping class, skipping school, etc.) will not be allowed to exempt any exam in courses in which the unexcused absence applies for the remainder of the school year.
- Any student who misses more than 5 days in ANY semester for reasons other than school-sponsored activities will not be allowed to exempt any exam at the end of the year. Administration reserves the right to make all final decisions regarding exemption status due to absences as a result of extreme circumstances (i.e., death of an immediate family member, extended illnesses and extended hospitalization that causes a student to be absent for a duration of 3 or more consecutive school days, etc.).
- With appropriate medical documentation, any illness which results in more than one day absence from school, will only be counted as one absence for the purpose of this policy.

4.2.13 TRANSCRIPTS

Transcripts are available upon request from the counselor. There is no charge for the first transcript, but additional transcripts will cost \$3 each. No transcripts will be sent for any student who has an unpaid tuition balance or other outstanding financial obligations.

4.2.14 CHEATING

Cheating is defined as the deliberate, dishonest exchange of information that creates an unfair advantage for one or more students (i.e., test, project, homework, etc.). Any student found cheating will receive a zero on said work for the first offense and will be required to call his/her parents/guardians and inform them of said penalty. The classroom teacher will send a discipline form to the principal and the incident will be so noted in the student's discipline file.

Consequences:

- 1. 1stOffense Zero on the work, notification of parents/guardians only

4.2.15 PLAGIARISM

Plagiarism also includes deliberate and/or consistent lack of proper documentation and citation in the project or paper.

Once a teacher has sufficient reason to believe that a student has plagiarized, the teacher will then determine the degree (level) of plagiarism according to the guidelines below.

Degrees of Plagiarism and Consequences:

1. A first-degree violation may occur due to ignorance or inexperience on the part of the student.

Example: A student has used a paragraph or a few lines of text without citing the material properly; however, most of the paper is the student's own work.

Consequences: (Any one or more of the following consequences may apply)

- A. A make-up assignment at a more difficult level
- B. A grade reduction on the original assignment
- C. Notification of the student's parents/guardians concerning the violation
- 2. A second-degree violation is considered a more serious plagiarism offense.

Example: A student's use of one or more paragraphs of another's ideas and/or works without correct citation. Incorrect citation may often take the form of improper paraphrasing. Although some of the work is the student's, it is evident that much of the work has been taken from other sources and not referenced.

Consequences: (Any one or more of the following consequences may apply)

- A. A make-up assignment at a more difficult level
- B. A grade reduction on the original assignment
- C. Notification of the National Honor Society (NHS) advisor, if applicable
- D. Disciplinary action taken by the Administration
- E. Notification of the parents/guardians concerning the violation
- 3. A third-degree violation is a severe case of plagiarism and indicates the majority of a student's work has been taken from another source or sources and not referenced.

Example: A student's use of several paragraphs of another's ideas and/or works without correct citation. It is evident that the majority of the work has been taken from other sources and not referenced. Specific examples may include, but are not limited to the following:

- A student's use of a purchased term paper or other materials that are not as his/her own,
- Improperly acquiring information (i.e., cutting and pasting from internet, etc.), and/or
- Citing sources that are not actually sources

In addition, a third-degree violation occurs when a student has been found guilty of plagiarism in a prior instance.

Consequences: (Any one or more of the following consequences may apply)

- A. The offense will be considered a cheating violation and all procedures and consequences of cheating, as stated above, will apply.
- B. The incident will be noted in the student's permanent record.
- C. The National Honor Society (NHS) advisor may be notified, if applicable.
- D. Disciplinary action may be taken by the Administration.
- E. Notification of the student's parents/guardians concerning the violation.

5. ABSENCES

5.1 EXCESSIVE ABSENCES POLICY – ELEMENTARY STUDENTS

Any elementary student missing more than 20 days for any reason other than a school-sponsored absence will not receive academic credit for the year. The Board of Directors may waive this standard if it is determined that the absences resulted from unusual circumstances or extended illness.

A student who is absent due to an extended illness and is under a doctor's care at the time of the absence must bring documentation to that effect to school when returning to class. No medical consideration will be given to the student if he or she exceeds the allowable absences in a class. This documentation should be submitted to the office within three (3) days of returning from the extended illness.

Even though Starkville Academy will make an effort to notify parents/guardians of excessive absences, it is the responsibility of the parents/guardians and students to keep track of absences.

5.1.1 ELEMENTARY SCHOOL PARENT PROCEDURE FOR NOTIFYING OF/VERIFYING AN ABSENCE

When an elementary student returns after an absence, he/she must bring a parent excuse note to the teacher or to the elementary office. Absences for doctor/dental appointments or extended illnesses require notes from the physician's/dentist's office.

5.1.2 ELEMENTARY SCHOOL PROCEDURES FOLLOWING AN ABSENCE

Students are responsible for scheduling make-up work with the teacher within the time limit of one day for each day missed.

5.2 EXCESSIVE ABSENCES POLICY – SECONDARY STUDENTS

Any high school student absent from a class for any reason, other than a school-sponsored absence, for more than ten (10) times per semester course or twenty (20) times per year course will not receive academic credit for courses in which the absences have occurred. A high school student will be considered absent from a class if he/she is not in attendance in the class for at least 25 minutes, regardless of the bell schedule.

The Administration and Board of Directors may waive this standard if it is determined that the absences resulted from unusual circumstances or extended illness.

A student who is absent due to an extended illness and is under a doctor's care at the time of the absence must bring documentation to that effect to school when returning to class. No medical consideration will be given to the student if he/she exceeds the allowable absences in a class without the proper documentation. This documentation should be submitted to the office within three (3) days of returning from the extended illness.

Even though Starkville Academy will make an effort to notify parents/guardians of excessive absences, it is the responsibility and accountability of the parents/guardians to stay informed of any and all situations.

5.2.1 SECONDARY PARENT PROCEDURE FOR NOTIFYING OF/VERIFYING ANABSENCE

On the day of the student's absence, parents/guardians/guardians are asked to telephone Starkville Academy office by 9:00 AM stating that their son/daughter will be absent and the reason for that absence. The secondary office will not accept notes.

5.2.2 SECONDARY PROCEDURES FOLLOWING AN ABSENCE

Due to the procedure for notification/verification of a student absence as stated above, "Admission to Class" slips will not be used, and students should report, instead, directly to class at the beginning of the day rather than visiting the office. Students are responsible for scheduling make-up work with the teacher within the time limit of one day for each day missed.

5.3 SCHOOL-SPONSORED ABSENCES

School-sponsored absences in grades PreK-12 include the following:

- Any activity sponsored by Starkville Academy or any school representative and is designated as school sponsored by the Administration.
- Any activity in which the individual is participating as a member of a Starkville Academy team, squad, or group (including class field trips) whether it is on the Starkville Academy campus or off and is designated as school sponsored by the Administration.
- Any event in which an individual or individuals are given an excused absence from school to participate in a function in which he (she) will represent Starkville Academy.

Functions such as (but not limited to) Boy/Girl Scouts, 4-H, church programs, non-school dance and music competitions/recitals are not considered school-related functions and should be treated and handled as a parental planned absence.

5.4 EXCUSED ABSENCES

Excused absences in grades PreK-12 include the following:

- The student's illness Students with fever over 100°, vomiting, severe headache, or other symptoms of serious or contagious illness should not be sent to school under any circumstances. No student should return to school until free of fever and vomiting for 24 hours.
- Serious illness in the student's immediate family
- Medical/dental appointments that cannot be scheduled after school hours.
- Death of a family member
- Official college visit (see "College and University Visits")
- Spring semester exam days for exempted students in grades 7-12 (absences on these days will not count against exam exemption)
- Other circumstances, as determined by Administration

5.5 UNEXCUSED ABSENCES

Unexcused absences (i.e., skipping class, skipping school, etc.) will be handled as outlined in the discipline section below.

5.6 FAMILY VACATIONS/PARENTAL PLANNED ABSENCES

Starkville Academy believes that the school calendar allows ample time for vacations in and around holiday seasons and, therefore, encourages parents/guardians to make every effort to arrange their vacations to coincide with school vacations. School Administration highly discourages taking additional days just prior to and immediately following a school holiday. When a student knows in advance that he/she will be absent for three or more days at a time, the absence must be pre-approved by Starkville Academy Administration at least one week prior to the first day of being absent. For students whose family does not meet the one-week notification guideline, the first day of the absentee period will be considered unexcused, and the consequences outlined above in Section 5.5 will be applied. A "Planned Absence Form" should be obtained from the office or found on Starkville Academy's website at www.starkvilleacademy.org. NOTE: For students in grades 7-12, days missed due to family vacations will count against exam exemption privileges in May (see limit addressed in Section 4.2.13).

5.7 Perfect attendance

A perfect attendance certificate will be awarded at the end of the school year to any student who has attended all day every day. A tardy or early checkout that interferes with an academic class will negate a perfect attendance.

Absences including, but not limited to, funerals, medical appointments, illness, surgery, vacations, etc. are not exceptions; however, school-sponsored activities are exceptions.

5.8 TARDINESS

Punctuality is expected of all students. Starkville Academy believes it is the responsibility of parents/guardians to see that students arrive at school on time. It is the student's responsibility to arrive in class on time.

5.8.1 ELEMENTARY TARDINESS

Students in grades PreK - 6 are expected to be in their assigned classrooms promptly at 7:50 AM. Any student who arrives after the tardy bell rings at 7:55 AM will be considered tardy to school. The disciplinary action that will be administered for excessive tardies is outlined below:

- Students are allowed three tardies per nine weeks.
- The fourth tardy will result in one after-school detention.
- The fifth tardy will result in two after-school detentions.
- The sixth tardy will result in a parent conference with the Principal and three after-school detentions.

5.8.2 SECONDARY TARDINESS TO SCHOOL

If a student in grades 7–12 is not in his/her assigned classroom prior to the 8:00 tardy bell, they are considered tardy to school. Students will be given a referral for each tardy (see Sections 9.2.1 and 9.3). Repeated issues regarding excessive tardiness throughout the school year could result in a student being assigned after-school detention in subsequent nine-week terms of the school year (even if it is the first or second referral for that particular term).

5.8.3 SECONDARY TARDINESS TO CLASS

Students in grades 7–12 must be in their assigned classroom (periods 2–7) prior to the tardy bell for each class. Students will be given a referral for each tardy (see Sections 9.2.1 and 9.3). Repeated issues regarding excessive tardiness throughout the school year could result in a student being assigned after-school detention in subsequent nine-week terms of the school year (even if it is the first or second referral for that particular term)

Note: If a parent/guardian refuses to allow the student to adhere to the disciplinary measures described above, or if the parent/guardian refuses to come in for a conference, the student will be suspended until a conference can be scheduled. A one-point deduction from each subject will be taken from the final nine weeks' average for each day of suspension.

5.9 SCHOOL HOURS AND ARRIVAL/DISMISSAL

Students should not arrive at school prior to 7:30 AM. Supervision by duty teachers does not begin until this time.

Students in grades 7-9 report to the gym bleachers; students in grades 10-12 report to the cafeteria.

Supervision is not provided for students who remain on campus after 3:45 PM and who are not involved in a supervised school-sanctioned activity. After-school care is provided for those who need to stay after 3:20 PM. No student will be allowed in the building without special permission and supervision after 4:00 PM each day.

Starkville Academy assumes no liability for students who are not in a supervised school-sanctioned activity before 7:30 AM for all ages and after 3:20 PM for elementary students and 3:45 PM for secondary students (grades 7 and above).

Parents/guardians may not park their vehicles and leave them in the dismissal lane. Extreme caution when driving on campus is essential to our students' safety, especially during arrival and dismissal times. A speed limit of 15 mph will apply on school grounds.

5.9.1 Elementary Hours and Arrival/Dismissal

Supervision with duty teachers begins in all elementary buildings at 7:30 AM each morning. Students in grades PreK–6 should not arrive at school prior to 7:30 AM. Students are to come inside their respective buildings and sit in the hallway with the supervising teacher until 7:45 AM when all classrooms are open. Classes begin promptly at 7:55 AM.

Dismissal begins at 2:40 PM for grades PreK–K and 2:55 PM for grades 1–6. PreK–K students who have not been picked up by 3:15 PM will be sent to after-school care; 1st–6th grade students will be sent to after-school care after 3:25 PM. Parents/guardians will be charged a fee. There will be no exceptions to this rule. All elementary students, PreK–6th grade, will be picked up at the breezeway awning between A and B Buildings.

Any elementary student not taking part in an elementary extracurricular activity must be picked up by 3:25 PM or else will be sent to After School Care. No exceptions such as attending a sibling's practice unsupervised will be allowed.

5.9.2 SECONDARY HOURS AND ARRIVAL/DISMISSAL

The secondary (7–12) class day begins at 8:00 AM. Faculty members are on duty in strategic locations beginning at 7:30 AM. The secondary day ends at 3:20 PM. Secondary students are to wait in the breezeway between C and D Buildings and are to be picked up no later than 3:45 PM unless they are involved in a supervised school-sanctioned activity.

5.10 CHECKING IN SCHOOL AFTER THE SCHOOL DAY HAS BEGUN

If a student reports to school after the school day has begun, he/she must check in through the office. Unless the student provides a doctor's/physician's excuse, the student will be considered tardy regardless of the time he/she arrives at school.

In order for a student in grades PreK-6 to be considered present for the school day, he or she must be present for a minimum of 4 hours.

5.11 CHECKING OUT/LEAVING CAMPUS

Once a student comes on campus (whether by driving a car or being dropped off by someone), he/she is under the supervision of Starkville Academy and cannot leave campus for any reason without permission from Starkville Academy office. No student is to leave the campus before the final dismissal bell unless he/she has been given permission to do so by the office and has been properly signed out through the office by a parent/guardian. A student who violates this rule will be considered skipping. The following disciplinary action will be administered for leaving campus without permission:

- 1st Offense Two (2) days of in-school suspension (ISS)
- 2nd Offense Three (3) days of ISS
- 3rd Offense One (1) day of out-of-school suspension.

An elementary student must be personally "signed out" in the office by his/her parent/guardian before leaving campus, and a 7th-12th grade student may be dismissed after a parent calls or emails the high school office. Parents/guardians

who come to Starkville Academy to pick up a student are required to report to the appropriate office to get the student. A student driver may present an appointment card signed by a parent for purposes of dismissal for a medical appointment. An exception to these rules will be made only in the case of extreme hardship. Once a student checks out, he/she must leave campus.

Lunches and personal errands such as haircuts are not considered emergencies or to be critical in nature. Requests for early dismissal (check out) should be confined to medical, dental, or items of an emergency or critical nature. When possible, we encourage parents/guardians to arrange medical or dental appointments after school.

A pattern of numerous checkouts may result in a school/parent conference and the possibility of make-up time or other actions as prescribed by the Administration. Parents/guardians should realize that a student's grades often suffer due to class absences. The Administration reserves the right to excuse or not excuse all absences.

5.12 MAKE-UP WORK – CLASS LECTURE AND NOTES

When a student is absent for a portion of a class, an entire class period, or multiple days of a class (regardless of the reason for the absence(s)) it is the student's responsibility to:

- 1. Ensure that there is communication with any and all teachers
- 2. Complete all assignments missed during the absence according to the policies outlined below (teacher may extend a due date if he/she feels it is in the best interest of the student)
- 3. Read the pages of the text covering the class/lecture notes.

If after securing all missed notes and reading the text, a student has questions regarding the material he/she should make an appointment to meet with the teacher. The student should have specific questions ready to present to the teacher. It is not the teacher's responsibility to re-teach the entire missed lesson(s).

5.12.1 Make-Up Work – Test, Quiz, Homework, and Class Work

Subject to additional accommodations as may be allowed by the Administration and teachers, the following will apply:

1. If the absence is due to school-sponsored events, the student should arrange to take any test/quiz that he or she will miss prior to leaving for the event, if possible. If the test/quiz cannot be taken before leaving, the student will be expected to take it on the day he or she returns to class.

- 2. If the absence is due to illness or personal reasons:
 - a. The student will have one day for each day missed to make up the test/quiz from the day he or she returns to school.
 - b. The teacher will notify the student of the test/quiz missed and inform him/ her of the deadline for making it up.
 - c. If the test/quiz is not made up within the allotted time as prescribed above from the day the student returns to school, then he/she will receive a zero on the test/quiz.
- 3. If the absence is a pre-approved planned absence, then all work is due upon the student's return to school.

Making up assignments (homework, classwork, projects, etc.)

Homework/Classwork:

- 1. Missed homework/classwork assignments are due the day after they are assigned or as otherwise specified.
- 2. If homework/classwork assignments are given to a student before the student is absent, then the assignment is due on the day the student returns to school.
- 3. If a student is absent on the day homework/classwork assignments are given, then the teacher will assign the student the homework/classwork on the day the student returns to school.

Projects, Etc.:

- 1. If a student was informed by the teacher about the project/assignment and the due date of the assignment, then the work is due on the day the student returns to school, unless different arrangements are made with the teacher or Administration.
- 2. If a student was not informed by the teacher about the project/assignment and the due date of the assignment, then the teacher will give the student the assigned work and allow the student the same amount of time to complete the project/assignment as was allowed the other students.

Penalty in Grades 1-6 for turning in late assignments that are considered minor or routine (e.g. daily homework):

- 1. 10 points are taken off for each day late.
- 2. If work is more than 5 days late, then the highest grade a student can receive is a 50.

Penalty in Grades 7-12 for turning in late assignments that are considered minor or routine (e.g. daily homework):

- 1. Assignment(s) turned in one day late will have a maximum score of a 75.
- 2. Assignment(s) turned in two days late will have a maximum score of a 50.
- 3. After two days, a student will receive a zero on any assignment not turned in.

NOTE: Teachers are allowed to establish their own policy guidelines for turning in late assignments that are considered major (e.g. projects and major papers). However, teachers are required to put said guidelines in writing and distribute them to students.

5.12.2 REQUEST FOR ASSIGNMENTS

Secondary parents/guardians and students are encouraged to first check Canvas to obtain homework/missed assignments. Elementary parents/guardians and students are encouraged to first check student planners and newsletters or FACTS/RenWeb. Upon request, the office will obtain homework/missed assignments when a student is absent for multiple days due to extended illness or hospitalization. Parents/guardians should call Starkville Academy to make arrangements by 10:00 AM so teachers will have time to prepare the work. This material may be picked up from the office after 2:30 PM. The homework/missed assignment material will not include class lecture notes (see make-up work sections above).

5.13 TRUANCY OR SKIPPING

An absence for one or more periods without permission of parents/guardians and prior notification of Starkville Academy is considered truancy. Truancy is an unexcused absence and will result in the notification of parents/guardians. The student will be subject to after-school detention, Saturday school, suspension, or any combination of the aforementioned.

Students on campus must be in their assigned/scheduled class unless permission has been obtained from the classroom teacher (or substitute teacher) of their assigned/scheduled class. Student(s) skipping class will receive an unexcused absence for that class, parent will be notified, and the student will be subject to after-school detention, suspension, or any combination of the aforementioned.

6. Dress Code/Uniform Policy

Students in grades PreK-12 are expected to maintain a neat, clean, well-groomed, and modest appearance. Since school life prepares students to take their place in adult life, these primary requirements are expected of all students. The Starkville Academy Board of Directors has adopted the following uniform policy for daily school attire.

Note: The Administration has the final authority to determine interpretation of the uniform policy.

Uniform provider: Lands' End School Uniforms will be the sole provider for school uniforms; however, shorts and pants specifically (in traditional khaki and navy colors) may be purchased from any vendor.

Polos and Shirt Options: Color options for all polo shirts include cobalt blue, orange, heather gray, and white. Multiple fabric style options exist from which to choose for boys and girls. Girls also have a feminine fit polo option in addition to the unisex options worn by the boys. However, feminine fit polos do not come in orange. Long-sleeve options for all of the above items are also allowed.

*All students are required to purchase at least one cobalt blue polo for the purposes of field trips or other school-sponsored activities, as may be directed from time to time. *

Other shirt options available for students include Oxford long-sleeve shirts in white and blue. Female students can also wear short-sleeve Peter Pan collar shirts in white and blue.

Shorts and Pants (Boys): All shorts and pants must be traditional khaki or navy, but these specific items may be purchased from any vendor. No cargo shorts or cargo pants are allowed. However, there are options for students to choose from that include different fabrics for all ages and pants with adjustable waists for younger students.

Shorts, Pants, Skirts, and Skorts (Girls): All shorts and pants must be traditional khaki or navy, but these specific items may be purchased from any vendor. All skirts and skorts must be khaki, navy, gray, or blue plaid. Skirts and skorts may be hemmed, but these items must meet the existing school policy requirement for length (girls must be able to touch the bottom of their skirts with their fingertips while holding their shoulders naturally). All skirts and skorts must still be purchased from Lands' End only.

Jumpers (**Girls PreK-4**th): Jumpers must be khaki, navy, or blue plaid. All clothing items that are worn underneath a jumper must meet Starkville Academy uniform policy.

Socks and Leggings: Socks and leggings of any color and purchased from any store/vendor may be worn with school uniforms. School Administration reserves the right to prohibit certain items that may be distracting or offensive.

Outerwear: In order to be worn inside school buildings and classrooms, all outerwear pieces must either be purchased from Lands' End School Uniforms and have one of the Starkville Academy logos or must be a school-approved item of clothing representing a specific school club, team, or organization.

Miscellaneous: All of the above items provide various options from which students may choose. While all clothing items must be purchased from Lands' End School Uniforms (with the exceptions noted above), the only specific article of clothing that is required is the purchase of one cobalt blue polo shirt. There are no other designated items or outfits to be worn for specific school days or events. Short or long-sleeve t-shirts worn underneath school uniform shirts must be solid white, black, royal blue, navy, or gray and may be purchased from any store/vendor. Shoes must be closed-toed with secured heels and may be purchased from any store/vendor. Additionally, flip-flops, cleats, house shoes, and shoes that light up or have squeakers or wheels may not be worn. School Administration may make appropriate allowances when students have casts or are on crutches.

Accessories

- Belts must be worn with all clothing that has belt loops except for students in grades PreK -2.
- Hats, caps, sweatbands, or bandannas may not be worn during the school day inside or outside except as part of an athletic uniform. Headbands that keep hair out of a female student's eyes are allowed.
- Visible body piercing is prohibited except pierced ears for girls. Boys may not wear earrings.
- Unflattering or annoying accessories are not allowed.
- No visible tattoos, either temporary or permanent, are allowed. No sunglasses will be worn in the buildings
 other than for medical reasons

The Following Regulations Pertain to All Students:

- All clothing must be clean, neat, hemmed, and size appropriate.
 - O Clothes that have holes in them or are torn, ripped, or pinned are not permitted.
 - Clothing that meets guidelines stated above but is improperly fitted or immodest will lose its approved status.
 - All garments that are worn underneath jackets or coats must meet uniform standards. Boys in grades 3–12 must tuck in their shirts.
 - No unusual haircuts or unnatural colored hair is allowed. Any student with a hairstyle that becomes a
 distraction in class, as deemed by the administrators, may be sent home until compliance with school
 policy has been met.
 - Boys must be clean-shaven at all times.

Consequences for Failure to Follow Uniform Policy

Grades PreK-6 (per semester):

• 1st offense – Warning only

- 2nd offense Lose 1 recess and a note home from teacher to be signed and returned.
- 3rd offense One after-school detention and a note home from teacher to be signed and returned.
- 4th offense Two days of after-school detention and a parent conference with the Principal to establish a plan of action to correct the behavior.

Each Friday will be considered a "dress down" day where a student may choose to wear school spirited clothing.

Grades 7–12 (per semester): see discipline section below.

Elementary students are not allowed to use any type of personal tablet devices (including cell phones and smart watches) while at school, and any devices brought to school must be kept stored securely and out of sight.

Students are expected to access Starkville Academy's wireless network to connect to the internet on their cell phones and approved personal devices at all times. Students needing to print classwork from their personal devices should save their work to a cloud-based server or email account and print from home or in the library/media center.

Students are not permitted to have a personal USB/flash drive on campus at Starkville Academy unless given advance permission from an SA teacher or administrator.

Students violating the above policy will not be allowed to bring their personal devices to school. Parents/guardians should be aware that Starkville Academy is not liable for any damage to or loss of a student's personal device.

7.9 CELL PHONES

Students in grades 10-12 are allowed to use their cell phones for appropriate reasons during certain times of the school day and only in certain designated locations. Acceptable times of the school day include before and after school, during break, and during lunch. The designated areas for cell phone use by students are the cafeteria, gym lobby, and the courtyard outside those two areas. All phone calls must be made or received outside in the courtyard area or inside the school office. No phone calls are allowed anywhere else inside a building, classroom, bathroom, etc. Students are not allowed to use cell phones in areas where adult supervision is not present at that particular time, even during acceptable periods of the day such as break and lunch. Students are also not allowed to use cell phones in the hallways or bathrooms between classes (this includes texting, using apps such as social media, or making calls, to name a few examples).

Students in grades 7-9 are **not** allowed to use their cell phones for any reason during school hours (8:00 a.m.-3:20 p.m.) without permission. Students are not allowed to use smart watches for communicative purposes while at school. A principal, teacher, or coach may give a student permission to use his/her cell phone during school hours to contact his/her parent/guardian only when necessary, such as to alert them of a schedule change, illness, etc. Students are not allowed to use cell phones in the locker rooms at any time (this includes but is not limited to texting, using apps such as social media, taking pictures, or making calls).

Elementary students (Pre-K—6) are not allowed to use cell phones for any reason during school hours (7:55 –2:55) while at school. Students are not allowed to use smart watches for communicative purposes while at school.

7.9.1 IMPORTANT NOTES

Due to the technological advances in today's cell phones, primarily text messaging and photo/video capabilities, the following criteria will be enforced: The use of a cell phone during a class activity (class work, test, project, etc.) will be considered cheating unless the student is authorized by the teacher to do so. The class activity is considered to be over when the last person in the class has completed the activity. All consequences for cheating as stated in the 'cheating and plagiarism' section will be enforced. Students must place their cell phones in the designated area in each classroom upon arriving to the class and may only retrieve them at the end of class or when instructed to do so by the teacher. A student's possession of a cell phone on the Starkville Academy campus is a privilege. Any misuse of the cell phone will result in disciplinary action and may result in the student's loss of the privilege to bring on campus. Examples of inappropriate use include but are not limited to: cyberbullying; cheating on tests, quizzes, and homework, or any other instance of academic misconduct; taking, posting, or distributing inappropriate photos or videos; usage during an assembly; listening to music.

Additionally, accessories for your phone, such as headphones/earbuds, are not allowed. It is the student's responsibility to charge his or her cell phone at home before school. The school will not be held responsible for any loss or damage to a student's cell phone while at school.

7.9.2 Consequences

Each time a cell phone is used in a manner or location in opposition to the policy stated above, the phone will be confiscated (regardless of ownership of the phone) and turned in to the appropriate principal. Furthermore, the student(s) will be subject to the following disciplinary action plan that spans the entire nine-week term:

- 1st Offense The student will receive a referral. The student may retrieve the phone from the office at the end of the school day.
- 2nd Offense The student will receive a referral. The student may again retrieve the phone from the office at the end of the school day.
- 3rd Offense The student will receive a referral, and the student will lose all cell phone privileges for the remainder of the term. A parent must pick up the phone from the office.

7.10 ELECTRONIC DEVICES ON CAMPUS

Earbuds, cameras, and other electronic devices are not to be used or visible on campus during school hours. Violations of this policy will result in the same penalties as described above for cell phones. Smart watches used for communicative purposes similar to that of a cell phone (i.e. texting, calling, etc.) fall under the same guidelines as cell phones.

8.2 STUDENT CONDUCT

Starkville Academy strives for high standards in conduct and self-discipline. Students are expected to organize and manage their lives in a way that is personally gratifying as well as acceptable in a school environment. Policies of conduct and assertive discipline are in place to provide an orderly, safe, and effective learning environment. The Board of Directors supports policy decisions made by the Administration and expects students and parents/guardians to adhere to these policies at all school-sponsored and school-related functions, both on and off campus. Parents/guardians should remind elementary children of acceptable behavior when attending a school event and should supervise their children's behavior during school events that take place after regular school hours.

While the Administration feels serious discipline problems are rare and isolated cases, disruptions due to frustration and hostility caused by emotional or physical problems will not be tolerated. At this time, Starkville Academy is not staffed to manage recurring, significant behavioral problems. In these instances, the teachers and the Administration

will offer alternative solutions to the parents/guardians.

Parents/guardians and students must be aware that attending Starkville Academy is a privilege. Students who are not committed to obeying the rules of conduct of Starkville Academy will be asked to leave.

8.2.1 ATTENDANCE

A priority of Starkville Academy is to use instructional time productively. Regular and punctual attendance are critical if the results of the teaching and learning tasks are to be maximized. It is essential that each student recognizes the sequential nature of instruction and that any unnecessary and/or excessive absence severely impedes the educational process. Therefore, Starkville Academy attendance regulations have been established with the best interest of Starkville Academy and the students/parents/guardians in mind.

8.2.2 Physical Contact

Students should understand that certain behaviors might be viewed as correct in one social situation, but incorrect at another time or place. Physical contact, kissing, and handholding are inappropriate behaviors in school. Violators of this rule will be sent to the principal's office.

8.2.3 STEALING

Students determined to have stolen property or money from another individual or the school will be subject to suspension, and the parent will be notified.

8.2.4 WEAPONS

Students, faculty, administrators, and visitors are prohibited from bringing guns, knives, or weapons of any kind on Starkville Academy's campus unless authorized to do so by school administration. Students shall not possess, handle, or transmit straight razors, ice picks, explosives, fireworks, cigarette lighters, matches, lasers, or any other objects that can be considered weapons or dangerous instruments. The penalty for this consists of loss of privileges, after-school detention, suspension, or expulsion.

8.3 STARKVILLE ACADEMY PHILOSOPHY OF DISCIPLINE

Students and parents/guardians are expected to be familiar with Starkville Academy's conduct and discipline policies and to abide by them willingly. If any student or parent violates any of these policies, there may be a disciplinary response by Starkville Academy. Starkville Academy, in its sole discretion, will make the final determination of whether there has been a violation of its policies. The fundamentals of discipline as looked upon by the Administration of Starkville Academy have the following objectives:

- To develop in all students a high level of responsibility with respect to the adherence to mandated rules, all school
 assignments, commitments to extracurricular activities, and all other facets of their life both school related and
 non-school related.
- To create and preserve the conditions essential to the orderly process of Starkville Academy.
- To prepare the student for effective participation in adult life.

The policies of conduct and discipline described in this handbook are in place to provide an orderly, safe, and effective learning environment.

The conduct and discipline policies described in this handbook apply to any student who is:

- In attendance at school or on school property
- At any school-sponsored activity on or off the Starkville Academy campus.

Parents/guardians and students must be aware that attending Starkville Academy is a privilege. Students who are not committed to obeying the rules of conduct of Starkville Academy will be asked to leave.

8.4 GUIDING PRINCIPLES IN ADMINISTERING DISCIPLINE AT STARKVILLE ACADEMY

School officials are guided by certain principles in the administration of discipline. These guiding principles include the following:

· Starkville Academy reserves the right to consider all attempts to commit violations in the same context as

- completed violations. Accomplices in violations may be considered as involved as violators and face similar consequences.
- During the investigation of a violation, the Administration may suspend the student or prohibit or restrict the student's participation in student activities, including but not limited to athletics, student organizations, or elected positions. This action may be in conjunction with or in addition to any other form of disciplinary procedure utilized.
- Starkville Academy reserves the right to consider any violation in which the students are/were involved, regardless of the time passed.
- Starkville Academy reserves the right to use progressive forms of discipline in the event of excessive number of occurrences of a particular form of violation or multiple offenses whether or not specified in the following descriptions. The decision will be at the sole discretion of the Administration.

8.4.1 ASSERTIVE DISCIPLINE

A consistent discipline approach is vital to effective classroom management. Each teacher will develop a classroom management plan, approved by the Administration, which includes the following basic classroom rules:

School Rules:

- 1. Follow the teacher's directions.
- 2. Keep hands, feet, and objects to yourself.
- 3. Use kind words.
- 4. Respect yourself, others, and school property.
- 5. Be ready to work.

Included in the plan will be age-appropriate positive recognition and consequences. This plan will be shared with students and parents/guardians at the beginning of the school year, and it will be posted in each classroom.

If all of the guidelines for consequences have been followed and the student's behavior is still inappropriate, the student will be referred to the elementary principal. Each office referral will result in parental contact from the Administration and will include the following consequences:

- First office referral: warning.
- Second office referral: 1 days of after school detention.
- Third office referral: 2 days of after school detention.
- Third office referral: 3 days of after school detention and conference with parents/guardians.
- Fourth office referral: 1 day of suspension from school.
- Fifth office referral: The student will face possible permanent expulsion from Starkville Academy and will remain suspended until the student's parents/guardians meet with the Administration, at which time the parents/guardians and student must convince the Administration that the student can abide by school policy.

Severe misbehavior, such as fighting or blatant disrespect, will result in an automatic referral to the elementary principal.

8.4.2 DETENTION

Parents/guardians will be notified in advance of detention to arrange for pickup. Students will be required to do written assignments or work detail during detention.

8.5 RESOLUTION ON DELINQUENT ACTS

Starkville Academy reserves the right to expel any student who commits an act(s) which is a delinquent act as defined by §43-21-105(j) Mississippi code annotated (1972, as amended) or any act(s) as defined in §43-21-105(k) and any subsequent amendments. In the event of expulsion, the student's parents/guardians will have ten days from date of termination letter to request a due process hearing before Board of Directors. The request must be in writing.

9. CONDUCT AND DISCIPLINE - SECONDARY

This handbook does not and cannot address every situation, question, or problem that may arise. Any situation, question, or problem that is not covered in this handbook will be left to the discretion of the Administration.

9.1 DISCIPLINARY STRUCTURE

Starkville Academy's disciplinary measures include such things as reprimand, loss of privileges, break detention, after-school detention, parent conference, suspension (both in-school and out-of-school), and expulsion.

Students are subject to progressive forms of discipline in the event of an excessive number of occurrences of a particular form of offense or multiple offenses. The decision will be the sole discretion of the Administration.

Depending upon the severity of the infraction, parents/guardians may be notified if a student is required to visit the office and receives some form of the disciplinary actions mentioned below.

9.1.1 Break Detention

Break detention is served during one of the two breaks on the day assigned by the teacher or Administration at the location assigned by the assigning teacher or Administration. Students will report to the assigning teacher or administrator at the beginning of their break and remain until the break is over or until dismissed by the assigning teacher or administrator. Students lose the privilege of going to the cafeteria for snacks when assigned break detention.

9.1.2 AFTER-SCHOOL DETENTION

After-school detention will be held on Tuesday and Thursday afternoons. An email will be sent to parents that alerts them when their child has been assigned detention.

After-school detention will last for one hour. Students must report to after-school detention by 3:35 PM. Students who report after 3:35 PM will be considered absent and will have to make up the ASD missed and will have another one assigned.

Extra-curricular activities or practices will not excuse students from an after-school detention assignment. Students must bring a form of schoolwork, written or reading, to work on for the entire detention time. Students will be assigned work if they do not bring enough work with them. Failure to work the entire hour will result in another after-school detention being assigned.

Students are expected to be dressed within the SA uniform policy guidelines. Students may not come dressed in athletic practice clothing.

9.1.3 In-School Suspension

When a student has committed several minor offenses without improvement or has violated school rules in a manner considered by the Administration a serious breach of conduct, he/she is subject to suspension. The Administration will determine the length of the suspension (usually 1 to 5 days).

Other important notes regarding in-school suspension:

- 1. The student will forfeit his/her privilege of exam exemption.
- 2. The suspended student may attend any school function or activity, on or off campus, upon completion of his/her suspension. This includes any practices, games, or other events that take place after 3:30. However, if a student is serving multiple days of in-school suspension, then the student will not be allowed to attend a school function or event until the final day of suspension is completed.
- 3. A student may be assigned in-school suspension for a maximum of three offenses per school year. Any subsequent offense will automatically result in out-of-school suspension or expulsion.

9.1.4 Out-of-School Suspension

When a student has committed several minor offenses without improvement or has violated school rules in a manner considered by the Administration a serious breach of conduct, he/she is subject to suspension. The Administration

will determine the length of the suspension (usually 1 to 5 days).

Out-of-school suspension will result in a one-point deduction from the nine-week average in which the suspension occurred in each class for each day of suspension. Administration will deduct the point(s) from the nine-week average after the teachers have completed their grade calculations for the nine weeks and have posted their grades. The point deductions will be for each class missed according to the following guidelines:

- If a day of suspension is only for a portion of a school day, the point will be deducted only from the classes missed.
- 2. If a day of suspension is for an entire school day, including early dismissal days, the point deductions will be for all classes regardless of whether or not the classes actually met on the day of suspension.

Other important notes regarding out-of-school suspension:

- 1. The student will forfeit his/her privilege of exam exemption.
- 2. The suspended student MAY NOT be on the SA campus or in attendance at any school function or activity, on or off campus, throughout the duration of his/her suspension (to include any and all after-school events or activities such as practices and games).
- 3. Students are required to complete all work missed during the suspension and to turn it in the day they return to school. It is the responsibility of the student and/or the parent to get all assignments. Failure to turn in work on the day of their return will result in penalty see section 5.12.1 "Make-Up Work Test, Quiz, Homework, and Class Work."
- 4. For tests scheduled during the days of suspension, the student will have up to the number of days suspended to make-up any missed tests.
- 5. For tests assigned during the suspension time and scheduled to be taken on a day that the student has been readmitted to school, the student will be required to take the test on the day it has been assigned, including the day he/she is admitted to school.
- 6. Upon the receipt of a second suspension, a student will be placed on disciplinary probation.

9.1.5 EXPULSION

In the event of a severe offense, the repetition of suspension-producing offenses, or the breach of disciplinary probation a student will be subject to expulsion. Should such an occasion arise, the Administration will suspend the student for ten (10) days and recommend expulsion of the student to the Board of Directors. An expulsion hearing will be held by a committee of Board of Directors within ten (10) school days. The decision of the committee will be final.

The student and his/her parent(s)/guardian(s) are entitled to a due process hearing. They will be informed of the date and time of Board of Directors committee hearing. A detailed account of violations/actions will be provided to the student, parent(s)/guardian(s), and Board of Directors.

If the decision of the Board of Directors committee is:

- 1. Expulsion The student will be withdrawn from school immediately and his/her permanent record/transcript will indicate the student was expelled; tuition relief is at the discretion of Starkville Academy. In some cases, if certain conditions are met, re-enrollment is possible.
- 2. Ten (10) Days of Suspension The student responsibilities and penalties are outlined above in the section on Suspension.
- 3. Less than Ten (10) Days of Suspension
 - 1. For the ruled suspended days The student responsibilities and penalties are outlined above in the section on Suspension
 - 2. For the days out of school above the ruled suspended days All missed and due work must be turned in no later than the second day of return to school; tests will be made up within the time frame set by the Administration.

Parents/Guardians and students must be aware that attending Starkville Academy is a privilege. Students who are not committed to obeying the rules of conduct will not be permitted to remain at Starkville Academy.

9.3 DISCIPLINE LADDER SYSTEM

Students and parents/guardians are expected to be familiar with Starkville Academy's conduct and discipline policies and to abide by them willingly. The following discipline ladder will generally be followed for student(s) who continuously violate Starkville Academy's conduct and discipline policies; however, Starkville Academy reserves the right to skip all or some of these steps based upon the severity of a student's conduct.

The basis for progression through this system is the discipline referral system assigned by faculty and staff each nine weeks. On the:

- Third and Fourth Referral the student will be assigned an after-school detention
- Fifth Referral the student will be assigned two days of after-school detention

Permits may be purchased in the secondary office for \$20.00 and must be displayed at all times. The parking fee is prorated each nine weeks throughout the year to take into consideration the point of the school year in which the student reaches driving age.

All students and faculty/staff are assigned parking spaces by the administration.

A speed limit of 15 mph will apply on school grounds. Loitering in parked cars and in the parking lot is prohibited. Students are not permitted to go to their vehicles during the school day to get or store lunches, books, clothes, etc. without approval from administration. 14.3 PARTICIPANTS

- Administrators, faculty and employees will be tested randomly.
- All students enrolled in grades 7–12 will be required to participate in the drug-screening program. Each student in grades 8–12 will be tested at least once during the school year and will be subject to random testing at any time. Each student in grade 7 will be subject to random testing. Consent to the student's participation is a condition

of the enrollment contract.

• Any student who refuses to participate will be dismissed from school immediately.

14.4 TESTING PROCEDURE

Details and procedures for implementation of the drug-testing phase of the policy for students are as follows:

- The primary method of testing is hair analysis.
- The collection and coding of specimen samples will be handled in such a manner as to insure confidentiality.
- The hair samples will be collected and tested by a private laboratory utilizing the most modern methods. A positive result will automatically be retested utilizing a drug specific procedure to ensure no error has occurred.

14.5 Cost

- Parents/guardians will bear the costs, including but not limited to consultation and retesting of students exhibiting positive test results.

14.6 CONSEQUENCES

All samples showing a positive result will automatically be retested by the testing laboratory immediately to assure that no error has occurred. The second test will be a more specific test. If the first positive result is verified and confirmed, the following steps will be taken:

14.6.1 First Positive Result

- The Administration will inform the parents/guardians that their child tested positive and that a Medical Review Officer ("MRO") will be in contact with them to interpret the test results.
- The student in question must then be evaluated within 10 working days by a professional consultant or a certified alcohol and drug abuse counselor approved by the Head of School. The professional treatment plan must be successfully completed. The cost of the evaluation and treatment program will be at the parents/guardians' expense. Failure to enroll in and/or complete the requirements of the counseling program recommended to the student will result in the student's immediate dismissal from Starkville Academy, and he/she may not apply for readmission until the successful completion of an approved professional treatment plan and the beginning of the succeeding school year.
- The student in question will be required to be tested again at the time the drug should be clear from the body. The timeframe will be determined by the MRO. The cost of testing will be paid by the parent. Failure to comply with the retesting mandate within the specified timeframe will result in the student's immediate dismissal from Starkville Academy, and he/she may not apply for readmission until the beginning of the succeeding school year.
- At the next scheduled drug testing, the student would automatically appear on the random testing roster.
- A board member, administrator, teacher, or employee with a confirmed positive drug screening shall be immediately terminated from Starkville Academy. In such event, the employee's salary will be terminated.

14.6.2 SECOND POSITIVE RESULT

- The Head of School will inform the parents/guardians that their child tested positive and that a Medical Review Officer ("MRO") will be in contact with them to interpret the test results.
- A second positive drug screening will result in the student's immediate and permanent dismissal from Starkville Academy. In such event, the parents/guardians of said student shall not be entitled to reimbursement of fees or tuition previously paid.

14.6.3 NOTES

A confirmed positive remains in effect throughout the student's enrollment at Starkville Academy. It is not abolished upon grade completion. In the event a student is dismissed from Starkville Academy for violation of the drug testing policy, the parents/guardians of said student shall not be entitled to reimbursement of fees or tuition previously paid.

15. MISCELLANEOUS INFORMATION

15.1 VISITORS AND MESSAGES

All visitors, including parents/guardians, are required to check in with the elementary or secondary office and obtain a visitor's badge. The badge must be returned to the respective office upon completion of the visit.

Students not enrolled in this school are not allowed in the building or on campus during the school day without permission from the Administration.

If a parent has a message or package for his/her child, the parent should leave a note or the item in the elementary or secondary office. Office personnel will see that the message or item is delivered to that student.

Parents/guardians are encouraged to use Starkville Academy voicemail system and teachers' school email for communication with teachers. Codes and addresses will be furnished at the beginning of the school year.

Note:

- Parents/guardians are not allowed to go to the classroom, cafeteria, or athletic facility during school hours
 to get their child or see the teacher. Parents/guardians should report to the office and the appropriate
 arrangements will be made.
- Parents/guardians are to refrain from calling teachers/staff at their homes and calling or texting them on their cell phones during the school day; all contact during the school day should be made through Starkville Academy office or by email.

15.2 CHILD CUSTODY

To ensure the safety of our students, the custodial parent or guardian must provide Starkville Academy with a copy of the appropriate documents regarding the child's custody. This is to prevent a child from being released to a non-custodial parent or guardian. Starkville Academy will work to ensure that no student will be released to anyone other than a custodial parent or guardian unless Starkville Academy has been notified in writing by the custodial parent or guardian.

15.3 AFTER-SCHOOL CARE (ASC)

Starkville Academy offers After-School Care for PreK-6th grade. ASC offers a safe and structured environment for students between 3:20 PM and 5:30 PM each school day. Students will be grouped by grades and assigned to designated areas for study and snack time. Free time and play will be on the playground (weather permitting).

15.3.1 AFTER-SCHOOL CARE SCHEDULE

ASC will begin at 3:20 PM Monday through Friday. Please note that children who are not picked up or signed out by 3:25 PM will go to ASC as a drop-in. Parents/guardians will be charged \$8 for the ASC drop-in service. Parents/guardians must sign children out of the ASC program if they are collected by the ASC staff. Each grade level will have a snack, study, and playtime schedule. Parents and guardians will be responsible for sending an after-school snack for their child. The ASC teacher will provide you with their specific schedule, if desired.

15.3.2 AFTER-SCHOOL FEE SCHEDULE – FULL-TIME ASC

Each enrolled family's Tuition Management account will be charged \$100 per month (September-May) in the same manner in which your tuition is paid (via draft on the 5th or 18th, invoice, or credit card). Parents may login to your parent TM account by going to <u>parent.blackbaud.school</u> to review your account or pay online anytime.

Parents/guardians will need to bring the August payment of \$100 to the business office to set up automatic bank draft no later than the second week of August.

15.3.3 AFTER-SCHOOL FEE SCHEDULE – DAY RATE FOR DROP-INS

Children not on draft, or ones who do not come every day, are considered drop-ins. The charge for this is \$8.00 per day and \$25.00 on half days. Drop-in charges not paid at pick-up will be added to a family's Tuition Management

account and paid in the same manner you pay tuition each month.

15.3.4 LATE PICK-UP

ASC ends at 5:30 PM each day. A \$2.50 per minute fee will be assessed if your child is not picked up by this time. This full amount will be due to the teacher in care of your child at time of pick up. If you have any questions or concerns throughout the year, please contact the After-School Program Director.

15.4 SEVERE WEATHER

Starkville Academy has implemented plans for all students to move to the safest areas provided by our school. Teachers and students practice these procedures regularly and know where to go and what to do. When people not familiar with these procedures come into Starkville Academy and disrupt the process, everyone is placed at greater risk. We ask that all parents, grandparents, guardians, or any others coming to Starkville Academy follow the procedures below to help ensure the safety of everyone.

- Any student checked out of school must be checked out through the proper office by someone authorized to do so on that student's checkout list.
- PreK-6th grade students check out in the elementary office with the elementary secretary.
- Once the student has been checked out, the secretary will use the radio to call to the appropriate building for the student. The person checking the student out may then go to that building and wait for the student to come out. In C and D Buildings (grades 4, 6 12 will be in this area during severe weather), the person may wait in the lobby area. For students in A and B Buildings (grades K–3, 5 will be at this location during severe weather), the person should go to the breezeway between the two buildings.

In the case of imminent danger, students will not be allowed to check out, as office personnel will need to seek shelter and will be unavailable.

Please see that your correct email address and contact information is up-to-date in Starkville Academy's database system. We will make every attempt to keep parents/guardians informed via multiple social media alerts.

15.5 SCHOOL CLOSING PROCEDURES

In the event of a full-day emergency, such as severe weather or mechanical failure, a school closing announcement will be broadcast on local television stations along with multiple social media alerts.

If severe weather occurs during school hours, students may be dismissed early or held at school until it is deemed safe to travel. Notice of school closing during the day will be broadcast on local television stations, emailed, texted, and posted on the Starkville Academy website. Please do not call Starkville Academy to ask if students will be dismissed.

15.6 PERMANENT RECORDS

Each student who enrolls in Starkville Academy will have a cumulative folder on file in Starkville Academy office. This folder must contain the student's grade and attendance records, achievement test results, Mississippi certificate of immunization compliance, a certified copy of his/her birth certificate, social security number, and health and biographical information.

PreK and kindergarten enrollees will not be allowed to attend school without a Mississippi certificate of immunization compliance and a certified copy of his/her birth certificate on file in the elementary office.

Students in grades PreK-12 who transfer to Starkville Academy will have their cumulative folders forwarded to Starkville Academy. Out-of-state transfer students must present a Mississippi certificate of immunization compliance prior to enrollment.

Only authorized school personnel and the student's parents or legal guardian have access to a student's cumulative record. The cumulative record may not be released to a new school if tuition obligations at Starkville Academy have not been met.

15.7 MEDICATIONS

Students needing occasional medications for colds, sore throats, and earaches are to take those medicines at home if possible. Medication that is prescribed three times a day can be given before the student comes to school, after-school, and again at bedtime.

All medication, prescription and non-prescription, will be kept in the elementary/secondary office. An "Authorization to Administer Medication Form" must be completed by the parents/guardians of elementary students for each prescription or non-prescription medication before it can be given. This form can be found on the website under "Back to School Forms."

15.8 Injuries

Students sustaining an injury during Starkville Academy hours or in after-school care will receive first-aid treatment. Parents/guardians will be notified immediately of the injury and of any need for further medical attention. If parents/guardians cannot be reached and immediate medical attention is necessary, school personnel will notify the physician listed on the student's emergency form and make proper arrangements for immediate attention.

15.9 CONTAGIOUS OR COMMUNICABLE CONDITIONS

In the event that a student is determined to have a contagious or communicable condition (head lice, etc.), Starkville Academy will generally follow the guidelines for treatment as set forth by organizations such as the Center for Disease Control (CDC) and the Mississippi State Department of Health (MSDH).

15.10 COLLEGE AND UNIVERSITY VISITS

Juniors and seniors may take two days each school year to visit a prospective college or university, with an additional day per year awarded to students who have scored a 25 or higher on the ACT. No visits taken after April 15th will qualify as an excused absence without prior administrative approval. A "Pre-Planned College Visit Form" obtained from the counselor's office must be completed and returned one week in advance of the visit. The counselor's office and the Administration must approve all visits.

Documentation, such as a note from the Dean on school letterhead, must be brought from the college visited and placed on file with the office.

Under extreme and unique circumstances, a senior may be granted an additional college day(s) by the Administration. Sophomores may be granted one day for a college visit with prior administrative approval. Students must submit a written request to the counselor detailing the unique circumstances. The counselor will forward the request on to the Administration for a final decision.

15.11 FIELD TRIPS

Each grade plans field trips to enhance its courses of study throughout the year. Parents/guardians are notified in advance for purposes of requesting permission for the student to participate. Starkville Academy will not provide refunds to students who have received permission but do not attend the trip. Parents/guardians are not allowed to take other siblings along on field trips. School uniforms will be worn on field trips.

High school classes plan field trips to enhance their courses of study throughout the year. Parents/guardians are notified in advance for permission to participate in these excursions. School uniforms will be worn unless special permission is granted by Administration.

15.12 ELEMENTARY RECESS

All students will go outside on days of outdoor recess. Parents/guardians, please see that children wear appropriate clothing for the weather. Children who should not go outside for official medical reasons must bring a note requesting permission to remain in the classroom during recess.

15.13 ELEMENTARY HOLIDAY CELEBRATIONS

Each classroom celebrates appropriate holidays with parties and snacks arranged by the room mother with the approval of the classroom teacher and Administration. Party favors, happy bags, or balloons are not allowed.

15.14 ELEMENTARY BIRTHDAYS AND PARTY INVITATIONS

It is important that no child experience social rejection because of the exchanging of social invitations at school. No party invitations may be given out at school, even if everyone in the grade is to receive an invitation.

- Children may celebrate at school with arrangements being made in advance with the child's teacher. This should
 include no more than one treat and one drink per student. Party favors, treat bags, and balloons are not allowed.
- Unscheduled parties such as baby showers, retirement parties, or birthday parties for a teacher must be approved by the Administration in advance.

15.15 ELEMENTARY EXTRACURRICULAR PARTICIPATION/ATTENDANCE

Students are not eligible to participate in any extracurricular activity on the day they are absent. A student must be present at least 4 hours of the school day to be eligible to participate in extracurricular activities on that day unless approved *in advance* by the principal. Saturday, Sunday, and holidays are not considered an extension of the preceding school day.

15.16 DELIVERIES

Starkville Academy does not accept deliveries of flowers, balloons, or other favors to students. Such deliveries should be made to the student's home.

15.17 LUNCH PERIOD

Starkville Academy has a closed break and lunch period. Students may bring their lunches from home or purchase a meal at the cafeteria. The contractual agreement between Starkville Academy and the food service provider prohibits all commercial foods (i.e., Chick-fil-A, Wendy's, etc.) and drinks from being brought into the cafeteria during the lunch and break periods, regardless of its packaging.

15.18 ELEMENTARY SNACKS/BREAK

Elementary students are allowed to eat a snack brought from home during a scheduled snack time. Parents/guardians are encouraged to send a nutritious snack and to avoid high-sugar content foods. The rule against bringing commercial foods applies to break periods in the same manner as lunch.

15.19 USE OF OFFICE TELEPHONES

Students are allowed to come to the office to call parents as needed, but this should not happen on a routine basis. Transportation and social arrangements should be confirmed with elementary children before school each morning. Parents/guardians should also check to see that the child has all class materials, lunch money, or sack lunches prior to the beginning of the school day.

15.20 TOBACCO-FREE CAMPUS POLICY

In the interest of the health and welfare of our students and guests, Starkville Academy is a tobacco-free campus. Starkville Academy does not allow smoking or tobacco of any kind in its buildings or on school grounds by students, faculty, staff, patrons, or visitors.

A student's possession or use of tobacco in any variety is not permitted on campus or at any school-sponsored or school-related function.

15.21 LOST AND FOUND

Please label all personal belongings with the student's first and last names. Items found at school will be turned in to the elementary or secondary office. If a student loses anything, he/she should report the loss to the office. All unclaimed items will be disposed of at the end of the school year.

15.22 PROGRAMS AND ASSEMBLIES

When entering the gymnasium for a program or assembly, students should enter quietly and remain quiet during the entire program. Students are expected to give their attention to the speaker. Students are not to talk or disturb the ones around them by making comments.

Students should never boo, hiss, whistle, or stomp their feet regardless of their opinion of a program. Students are to applaud courteously. Reading or working on any type of schoolwork is not permitted during a program, nor will students be allowed to use cell phones or other devices.

15.23 GYM USAGE

There are scheduled classes and activities in the gymnasium during the entire school day. Students are prohibited from cutting through the gym to get to or from classes. The gym area is closed during first through seventh periods except to students scheduled in the gymnasium area.

15.24 FUNDRAISING

All activities designed to raise money for Starkville Academy or school-sponsored groups must be approved by the Head of School and Board of Directors. All money must be turned in to the bookkeeping office for a receipt.

15.25 YEARBOOK AND SCHOOL PICTURES

The high school yearbook staff produces an annual that is available for purchase to all students. Individual student pictures and senior portraits are made each year for the annual and are available for purchase.

15.26 USE OF SCHOOL FACILITIES

All school facilities are for the use of Starkville Academy students, staff, and patrons in direct association with student activities. Students are not to be on campus outside of school hours unless under the supervision of a faculty member. Exceptions to this policy will only be granted as the result of Head of School and Board approval. All school activities will have precedence over any other activity on Starkville Academy campus.

15.27 LOCKERS

Lockers are assigned to each student and are not to be changed without permission. Lockers are to be kept clean. Starkville Academy reserves the right to search lockers and backpacks at any time. Students may purchase their own key lock or combination lock if they desire. The office reserves the right to cut off locks if the student cannot provide a key or combination.

15.28 FIELD HOUSE & LOCKER ROOMS

The field house and locker rooms will be kept locked at all times except when supervised by a coach. Electronics, valuables, and money are not to be stored in these areas. Sporting equipment, uniforms, or other items are not to be borrowed without the consent of the supervising coach and the student from which they are being borrowed.

16. Interscholastic Athletic Information

Starkville Academy's athletic teams provide participation in and enjoyment of the competitive experience. *Volunteer* teams participate and compete for championships in the Mississippi Association of Independent Schools (MAIS).

Athletic achievement requires sincere commitment from all athletes, parents/guardians, coaches, and administrators. For Starkville Academy and its students to be successful, effective communication must occur. Our athletic department strongly believes in being accessible to parents/guardians and supportive to the coaching staff.

At Starkville Academy, athletics is but one part of the total school experience. The over-riding purpose of Starkville Academy is stated in the mission statement, "to provide quality educational programs in a Christian environment that will challenge students to excel academically, physically, socially, and spiritually."

Starkville Academy's athletic program provides a level of competition appropriate to age, development, ability, and interests of all of its students. While varsity competition places a greater emphasis on winning, the purpose of the subvarsity teams is to develop skills while preparing athletes mentally and physically for the competitive level required of varsity sports.

Starkville Academy coaches place the team ahead of the individual student-athlete while providing a healthy balance

between winning and the enjoyment of the team experience.

Starkville Academy's players are expected to be the models of the scholar-athlete; while they excel on the playing fields and courts, they must also strive for excellence in the classrooms and in Starkville Academy community.

Athletics at Starkville Academy is defined as all interscholastic sports teams, cheer team, and dance squads. Additionally, the word "athletes" will refer to members of the aforementioned teams.

16.1 ATHLETIC ELIGIBILITY

All athletes of Starkville Academy must first meet the criteria of the MAIS for establishing eligibility for Starkville Academy year. The rule states that all athletes must pass four (4) major subjects (credits) the previous school year; this may be achieved through summer school and/or a certified correspondence course.

Starkville Academy has instituted the following eligibility rules that will be enforced in addition to the MAIS rule of eligibility.

- 1. To be eligible to participate in athletics at Starkville Academy for the first nine weeks of Starkville Academy year, a student must have met the criteria of eligibility of the MAIS (stated above) and have a physical on file in the office of the Athletic Director.
- 2. To remain eligible each nine-week grading period, any student athlete in grades 7-12 must not have failed more than one academic class at the conclusion of the previous nine-week term. Any athlete not meeting this requirement at the end of a grading period will be placed on academic probation and will be subject to the guidelines below:
 - The student athlete may continue to practice but not play in a game or travel with the team while on probation.
 - If the student athlete is meeting the requirements set forth above at the end of the 4th week of the nine-week probationary grading period, he/she will be removed from probation for the remainder of the nine weeks and allowed to resume playing in games and travel with the team.
 - If the student athlete is not meeting the requirements set forth above at the end of the 4th week of the nine-week probationary grading period, then he/she will remain ineligible for the remainder of the nine weeks period.
 - If an athlete's team will begin state playoffs during a probationary period whereby the student is ineligible, then the Head of School and Principal may allow the student athlete to participate throughout the duration of the playoff competition if the student is passing every class in which he/she is enrolled. However, the athlete will not be allowed to compete in any other sports during the ineligibility period.

16.2 PARTICIPATION

- 1. The athlete must be eligible and cleared by the Athletic Director.
- 2. Any student absent is not eligible to participate in any athletic activity on the day of the absence. A secondary student must be present for a minimum of four periods of Starkville Academy day to be eligible to participate in practice or games on that day. Saturdays, Sundays, and holidays are not an extension of the preceding school day.
- 3. The athlete must have a current physical on file in the office of the Athletic Director. A physical is current for one calendar year.
- 4. The athlete must have documentation that at least one parent has attended the required parent meeting at the beginning of each season. The required parent meeting will occur to inform parents/guardians of (but not limited to) the following:
 - Game and practice attendance expectations
 - Holiday games and practices if applicable
 - Transportation
 - "Student pay" items needed for the year
 - Sportsmanship and any incurred fines per the MAIS

16.3 SPORTSMANSHIP

Starkville Academy coaches, players, fans, parents/guardians, and students are expected to conduct themselves at all times in the finest tradition of sportsmanship and fair play. An appreciation of the efforts and the competitive trials of

the opponents is at the foundation of our beliefs and should be a part of our own efforts to succeed. A tolerance for officials and their efforts is demanded by the MAIS and Starkville Academy. All MAIS rules relating to sportsmanship and game conduct by spectators, players, and coaches will be upheld.

16.4 RESPONSIBILITIES OF THE ATHLETE

Student athletes are always representing themselves, their family, Starkville Academy, and their community. They should always live up to the standards for a student and athlete, and the sportsmanship established and expected of an SA Volunteer athlete. They should always display positive actions in public. Student athletes should always respect the integrity and judgment of the officials and their opponents.

In addition to the above, upon choosing to participate and compete on Starkville Academy athletic teams, student athletes have agreed to:

- Attend every practice and competition unless excused by the Coach and give his or her best effort.
- Support their teammates and the athletes of other SA teams.
- Take pride in and care for their uniforms and equipment.

16.5 RESPONSIBILITIES OF THE FAN

Spectators at an athletic contest have an important role in displaying good sportsmanship. As a group, fans' actions may have the biggest impact on how others see the reputation of Starkville Academy. Starkville Academy fans should complement student-athletes in their attempts to improve and learn. Fans should understand the rules of the game and cheer good performances by both teams.

Starkville Academy fans must respect players, coaches, and fans of opposing teams and never confront them at any time. Starkville Academy fans should never interact with an official/umpire before, during, or after a contest; MAIS rules simply put game officials "off-limits." Starkville Academy fans should <u>never</u> cheer against nor degrade game officials, opposing players, teams, coaches, and fans. Fans attend games to support our teams – not belittle opponents and yell at officials.

16.5.1 FAN EJECTION

Any fan ejected from a contest shall be expected to be barred from all MAIS events until the individual has fulfilled sanctions and conditions imposed by the MAIS. Furthermore, Starkville Academy reserves the right to impose its own sanctions and conditions in addition to the MAIS.

A common sanction for an ejected fan is a fine generally ranging from \$300 to \$1,000. Additionally, Starkville Academy will be fined within the same monetary range. In the event Starkville Academy is fined due to a fan ejection, he/she will be responsible for paying Starkville Academy's fine as well as his/her own. If the fine is not paid by the fan, the amount will be considered indebtedness to Starkville Academy. If the fan has a child participating in the athletic program, the child will become ineligible to participate until the fine/indebtedness is paid.

16.6 ATHLETIC LINES OF COMMUNICATION

Both parenting and coaching are extremely challenging responsibilities. By establishing and understanding each position, we are able to accept the actions of the other thus enhancing effective communication. Parents/guardians have a right to understand what expectations are placed on their child. This begins with effective communication.

16.6.1 Communication Parents/Guardians Should Expect from the Coach

- When and where practices and contests are held
- Expectations the coach has for the child and the team
- Team requirements/rules for being a member of the team

16.6.2 Communication Coaches Expect from Players

As students become involved in athletics, they will experience some of the most rewarding moments of their lives. It is important to also understand that at times students may experience disappointment and frustration. At these times, student-initiated discussion with the coach is recommended and encouraged. In particular, parents/guardians/students should notify the coach concerning:

- Notification of any schedule conflict well in advance
- Any specific health or injury related concerns

16.6.3 Appropriate Concerns for Parents/Guardians to Discuss with Coaches

- Any unhealthy mental or physical strain that parents/guardians detect in the child at home
- Ways parents/guardians can contribute to the child's skill improvement and development
- Any dramatic changes parents/guardians detect in the child's behavior
- Treatment of the child, mentally and physically
- The child's health or injury-related concerns.

16.6.4 Issues Not Appropriate for Parents/Guardians to Discuss with Coaches

- Playing time
- Team strategy or play calling
- Other student athletes

16.6.5 Procedure to Follow if a Parent Has a Concern to Discuss with a Coach

- Unless it is injury-related, parents/guardians should not confront a coach before, during, or
 immediately after an athletic contest). These can be busy and emotional times for both the parent
 and the coach, and meetings during this period often do not promote resolution. Productive
 meetings always require calm, rational attitudes.
- Parents/guardians should make an appointment with the coach. They should never approach the
 coach immediately after a game. Except for health and injury-related concerns, Starkville Academy
 requires a 24-hour period concerning discussions with coaches. Parents/guardians should wait until
 at least the day after the game and should make an appointment.
- If the coach cannot be reached, parents/guardians should call the Athletic Director or counselor to set up a meeting with the coach.

If the meeting with the coach does not result in resolution of the problem, the steps, as set up in the Starkville Academy student handbook for Communication and Parent Conferences, must be followed.

16.8 CONDUCT

The conduct of athletes must reflect the fact that they represent Starkville Academy. In both the athletic and academic arenas, and in the community in general, athletes' behavior must epitomize good citizenship, a positive attitude, and a strong work ethic.

By nature, athletics are "extracurricular" and, therefore, conduct should be exemplary and should follow a code. According to this code of conduct, athletes must:

- Conduct themselves in such a manner as to make themselves and the team better
- Remain drug, alcohol, and tobacco free
- Display positive actions in public
- Play hard and play for the love of the game
- Respect officials and accept their decisions without question
- Win without boasting and lose without excuses
- Provide a championship example towards academics

16.9 ATHLETES PARTICIPATING IN MULTIPLE SPORTS DURING THE SAME SEASON

Starkville Academy's coaches are fully supportive of multisport athletes. In some situations, it is impossible to play multiple sports in the same season due to conflicting schedules or practices and events; thus, student-athletes should always consider the time commitments of participating in multiple sports during the same season and the impact this will have on their academic well-being.

Should an athlete be permitted to participate in multiple sports during the same season, the coaches should then, with input from the athlete, devise an amicable schedule of practices and games that the athlete will attend daily. Athletes playing multiple sports must fulfill the obligations of each team as set by the coach in order to participate in them. If the coaches cannot come to an agreement on a particular date, this information should be forwarded to the Athletic Director who will make the decision as to what sport the athlete will attend on the date in question.

In no instance shall the athlete or his/her parent make the decision as to what he/she will participate in on a particular date, except that an athlete or his/her parent may elect to discontinue an athlete's participation in one or more sports.

16.9.1 ATHLETES PARTICIPATING IN OVERLAPPING SPORTS

In the case where an athlete desires to participate in a sport, and another sport in which he/she plans to participate overlaps prior to the conclusion of the first sport, the following prioritization will be used to determine the athlete's participation when conflicts arise in the schedule (unless mutually agreed upon by both coaches):

- In-season sports over out-of-season sports
- Game-day participation for one team over practice for another team
- District games and playoff games for one team over non-district games for another team

16.9.2 Points of Emphasis

- It is important for the involved coaches to work together for the benefit of the entire athletic program and not put the athlete in the middle of the controversy.
- Athletes who know they will be involved in overlapping sports must accept the circumstances and take responsibility to fulfill their obligations to all teams and to fulfill their roles as students.
- No athlete will be penalized for participating in another Starkville Academy sport.

16.10 AN ATHLETE QUITTING A SPORT DURING THE SEASON

If an athlete (including cheerleader and dance team member) "begins a season"* with a team and subsequently quits the team he/she will be unable to participate with any other athletic teams until the season of the team he/she quit has completed, unless the head coach of the sport that the athlete quit agrees after consultation with the other coach, subject to an appeal of that decision by the athlete to the Director of Athletics.

* "Beginning a season" for an athlete, cheerleader, or dance team member is defined as participating in practices 20 weekdays prior to the first official competition/game or thereafter; or competing in any of the official competitions/games.

In the case where an athlete is competing in multiple sports during the same season (i.e., baseball and track) and subsequently quits one of the teams, he/she will be allowed to continue to compete on the other team of which he/she was already a member.

The purpose for these guidelines is to reinforce a commitment to finishing what a student starts and to reinforce loyalty to one's teammates and program. These guidelines prevent athletes from changing sports for inappropriate reasons, i.e., quitting toward the end of an unsuccessful season to start a new sport or to reinforce to players that may have taken a limited role on the team that there is an obligation that goes with being selected to a team.

16.11 MISSED CLASSES DUE TO ATHLETICS

An athlete will periodically be absent from a class due to interscholastic competition. It is the athlete's responsibility to secure in advance all work and deadlines from the teachers of the classes he/she will miss. If the athlete does not uphold this responsibility, he/she may be held out of competition for a period of time.

When tests are scheduled on the day of an athletic trip, it may be required that the test be taken before a student can leave. Arrangements should be made with the teacher in advance. It is the athlete's responsibility to initiate the communication with the teacher.

16.12 ATTENDANCE AT SCHOOL THE DAY FOLLOWING A CONTEST

All athletes are expected to be in school the entire day following an interscholastic competition. If an athlete persists in coming to school late or being absent the day following a competition, he/she will be held out of competition for a period of time.

16.13 AFTER-SCHOOL DETENTION

Any athlete assigned to an after-school detention must attend the detention in lieu of going to an athletic practice, travel, or contest.

16.14 SUSPENSION FROM SCHOOL

Any athlete receiving a suspension from school will additionally be suspended from all athletic participation, including practice and interscholastic competitions. The student may not attend any Starkville Academy-related athletic activities during the period of suspension. The athlete may be reinstated for athletic participation by the Administration.

16.15 UNIFORMS AND EQUIPMENT

The care and safekeeping of uniforms and equipment issued are the responsibility of the athlete. An athlete will be liable for the replacement cost of items lost or damaged beyond the normal, expected wears.

All uniforms and equipment issued by Starkville Academy should be turned in within one week of the last event of the sport. Failure to do so may result in suspension from further athletic participation or the withholding of the student's final report card.

16.16 STUDENT-PAY ITEMS

Athletes may be asked to or given the opportunity to purchase student-pay items (i.e., practice clothing, shoes, etc.). The athlete must pay for the items before he/she receives them.

If an athlete is a member of a team and orders student-pay items and subsequently quits before receiving the items, he/she will still be responsible for paying for them. Failure to do so may result in suspension from further athletic participation.

16.17 TRAVEL FEES

A predetermined travel fee will be assessed to each athlete of a sport that will travel to interscholastic competitions. The fee will be relational to the number of contests that require transportation in each sport.

The travel fee should be paid to Starkville Academy via cash, check, or online through Tuition Management at the beginning of each season when the coach of the sport presents a roster to the Athletic Director. The travel fee must be paid, or arrangements must be made with the Athletic Director by the parent of the athlete. No athlete will start a second sport until all fees from the first sport that he/she played are paid in full. Consideration will be given to sports that occur simultaneously or overlap. Parents/guardians will receive an invoice via e-mail to notify them of fees that are due, and the email will include an online payment link for those who desire to pay using the online option.

If an athlete is a member of a team at the beginning of a season and subsequently quits, he/she will still be responsible for paying the travel fees.

16.18 ATTENDANCE

Athletes are expected to attend all scheduled practices and competitions; in the event of unforeseen circumstances, the athlete should contact the coach prior to his/her absence.

16.19 PRE-GAME AND POST-GAME MEALS FOR ATHLETES

Starkville Academy will not pay for any student meals. Athletic meals will either be prepared by parents/guardians or will be "student pay." The decision as to whether a team will eat pre-game or post-game meal(s) or where and what they will eat should be the decision of the head coach. The coach, however, may delegate this responsibility to a team parent. The Starkville Academy Athletic Booster Club may, upon the coach's discretion, fund pre-game or post-game meals.

16.20 TEAM TRANSPORTATION TO COMPETITION

The Athletic Director will arrange all team transportation. The mode of team transportation will be either by van, charter bus, or parents/guardians. The Athletic Director will work closely with each coach in determining travel arrangements.

All team members of a sport are expected to travel to each competition in Starkville Academy arranged transportation. In the case of an unusual circumstance an athlete may request to travel to a competition in a manner other than that arranged by Starkville Academy. This request must be submitted in advance to the head coach who will in turn inform

the Athletic Director.

No student shall drive nor ride with another student to or from an athletic contest. The Athletic Director, upon consultation with the Head of School, may grant any exception to this policy.

16.21 ATHLETE NOT RIDING HOME IN SCHOOL-ARRANGED TRANSPORTATION

An athlete may be released to his/her parent following a competition. The coach should be sure he/she has made personal contact with the parent before releasing the athlete. Once the athlete has been released to his/her parent, Starkville Academy and the coach have been relieved of all liability and responsibility.

If an athlete is to ride home with an adult (parent) other than with his/her parent, the coach must secure permission from the athlete's own parent by personal contact. A note with parent signature followed up with personal contact (phone or in person) is highly recommended. A coach may not release an athlete to a non-adult. The Athletic Department maintains that the student athlete not be allowed to ride with a non-adult as stated previously.

A generic note from the parent for the entire season will be acceptable. Follow up personal contact (phone or in person) is recommended to ensure the validity of the note.

16.22 SCHOLARSHIP SIGNINGS AT SCHOOL

Students who are walking on at a college or university will not have a scholarship signing ceremony at Starkville Academy. Athletics scholarship signings are reserved only for those athletes who are being awarded an athletic scholarship. The college coach and a Starkville Academy coach or the Starkville Academy athletic director must work together on the details of the scholarship signing.
